

Don't Scrap Your Used Sensor Cones... Refurbish Them!

Centricut now offers sensor cone refurbishment for all major OEMs including Precitec, Trumpf, Amada, Mazak, Mitsubishi, and Finn-Power laser systems for a fraction of the cost of new!

Advantages include:

- Refurbished sensor cones are fitted with new internal components and restored to factory specifications.
- All sensors are backed by a limited one year warranty and our 100% satisfaction guarantee!
- Call today to see how sensor cone refurbishment along with other Centricut consumables can save you money in your laser cutting operation.

Contact your Hypertherm distributor or call 1-800-752-7623 for more information on this and other premium laser products.
